

10 September 1971

Mr. Frank M. Slatinshek
Assistant Chief Counsel
Committee on Armed Services
House of Representatives
Washington, D. C. 20515

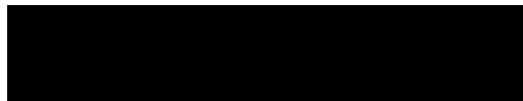

Dear Frank:

Attached are copies of the charts which we would use as a basis for discussion when Mr. Nedzi and members of his Subcommittee come out for a visit.

As I have indicated, the Director feels an informal give-and-take discussion about the Agency and its problems would be more fruitful than a formal briefing, and I believe he visualizes several of us sitting around the table with these charts in front of us, in a sort of question and answer session.

He would be happy to have the group join us for either a lunch or breakfast at almost any time convenient to them. However, our Deputy Director, General Cushman, will be out of town until 17 September and it might be a little better if we waited until after that so that they could meet him if he is available, or so that he could take care of any meetings to which the Director might be called which would conflict with the session with Mr. Nedzi.

Sincerely,

John M. Maury
Legislative Counsel
